

Moat United Reformed Church Safeguarding Statement

Guidelines for protection of all children, young people and vulnerable adults

We have a strong commitment to you as parents/carers to ensure the safety and wellbeing of your children, young people and vulnerable adult while on our premises. Our committed voluntary staff are assessed and all have clear DBS certificates. Ongoing support is given and training available. We have a Safeguarding Policy which you are invited to read and if you have any concerns at all, you can contact the contact listed below.

Our Policy is also shared with everyone hiring our halls who have children, young people or vulnerable adults in their charge. Such hirers of the hall should ensure that all adults working with the children, young people or vulnerable adults have the required DBS certificates; they have read the church Emergency Instructions and where to assembly if an incident occurs. They are aware of our Kitchen Risk Assessment.

For any further details please contact Moat's Safeguarding Co-ordinator / Church Secretary, Sarah Trotter, at sarahtrotter5@gmail.com
